

Sizing

Chef Works has the perfect fit for you. To find your perfect fit, we've provided you with three easy-to-follow steps outlined below.

Please note our proprietary designs give Chef Works garments a more generous fit to allow for maximum comfort and function. **If you fall between sizes, we recommend that you choose the smaller size for a truer fit.**

FIND YOUR PERFECT FIT IN 3 EASY STEPS

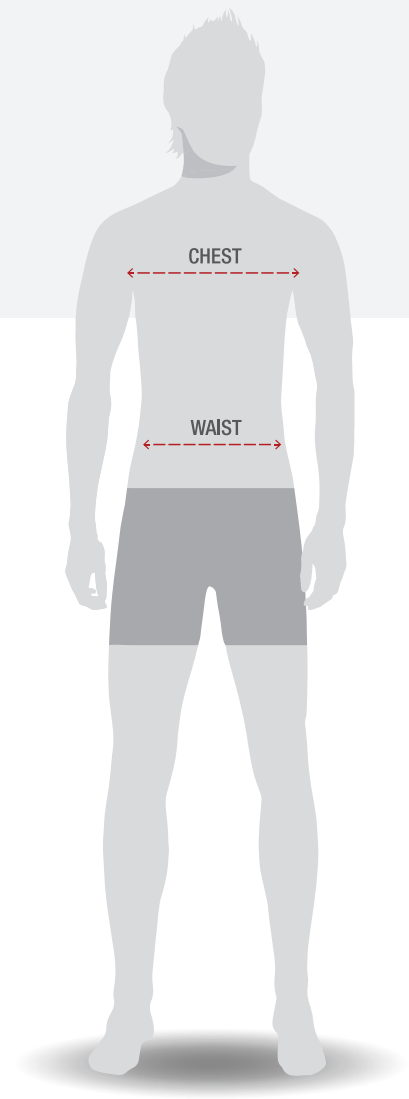

- 1** | First, how do you want your garment to fit? You have multiple fit options with our coats/shirts, and 3 fit options with our pants.
- 2** | Second, what are your measurements? All of our garment size charts refer to actual chest or waist measurements.
- 3** | Choose your garment!

Measurement Guidelines

To get the best fit, stand straight and relax.

CHEST: Measure from the fullest part of the chest/bust with your arms down.

WAIST: Measure around your natural waistline above the hips.

Coats

At Chef Works, we know coats. We also know we have a coat to suit your style. Categorized here in 5 different fits, end the guessing and find the one that's right for you.
